

SPECIAL EDUCATION, CHILD FIND, AND COLONIAL BEACH PUBLIC SCHOOLS

WHAT IS CHILD FIND?

The Colonial Beach Public School System conducts an on-going campaign of locating, identifying, and evaluating those children residing in the jurisdiction, between the ages of 0 and 21, who are suspected of having a disability. Any child who is identified as having a disability is entitled to a free, appropriate, public education which is designed to meet his/her individual needs. Special Education Programs are available through your public school division. *Contact Lacey Neitzey, Director of Special Education.* (See contact information below.)

School divisions provide services to children determined eligible within the following disability categories when the identified disability affects their educational performance.

- Autism
- Developmental Delay
- Deaf
- Deafness
- Hearing impairment
- Intellectual Disability
- Multiple Disabilities, including two or more impairments at the same time.
- Orthopedic Impairment, including those caused by congenital anomaly, disease and other causes such as cerebral palsy.
- Other Health Impairment, such as limited strength, vitality, or alertness due to chronic or acute health problems.
- Emotional Disability
- Specific Learning Disability
- Speech and Language Impairment
- Traumatic Brain injury
- Visual Impairment including blindness impairment in vision that even with correction, adversely affects a child's educational performance.
