

# Welcome to Title 1

## Colonial Beach Elementary School

### What is Title 1?

Title 1 is a federally funded program that offers academic support in reading and math.

### How Is My Child Chosen For Title I Services?

Three things are considered:

- School performance
- Assessments
- Teacher Observation

Your child may receive help for several weeks, for several months, or for the entire year depending on progress and the need for assistance.

### What Are the Goals of Title I?

We want to help your child be confident with their reading and math skills, succeed in school, and develop a life-long love of learning

### How Does Title I Help My Child?

With small-group reading and math instruction from a certified teacher, that is in addition to the regular reading and math class.

Title I teachers use a wide variety of instructional materials and strategies to help your child improve reading and math skills.

### How Is Title I Money Spent?

Title I provides money for teachers, instructional materials, parent engagement activities, and professional development for teachers.
