Title I Program

Title I is a federally funded program under the No Child Left Behind Act of 2001, designed to meet the special academic needs of "identified" students. The Title I program of Colonial Beach Public Schools provides remediation in reading and math through co-teaching in the regular education classroom, one-on-one instruction in the Title I classroom, and after school tutoring. The goal of the program is to help participating children meet the State's SOL (Standards of Learning) objectives. The goal of the Title I Program is for each identified student to show adequate yearly progress in reading and math. Colonial Beach Public Schools Title I staff also provides opportunities for students to improve their self image and develop a more positive attitude toward learning and school.

- Provides reading assistance using the current reading series;
- Provides math assistance using the current math series; and
- Provides student educational plans tailored to meet individual needs.

Title I Instruction:

- Serves identified students in Grades Pre-K – 5;
- Assists identified students during their reading and math classes;
- Pulls out students to the Title I class for additional supplemental instruction;
- Provides reading assistance using the current reading series;
- Provides math assistance using the current math series; and
- Provides student educational plans tailored to meet individual needs.

Parent Involvement:

- Encourages parents to play an integral role in assisting their child's education at school;
- Provides support for the child, the faculty, and the staff of the Title I Program;
- Requires a signed permission letter and signed parent compact; and
- Includes attendance at parent teacher conferences

Collaboration With Classroom Teachers:

The Title I staff works with your child's classroom teacher. They regularly discuss:

- Individual student's needs;
- Programs of study;
- Skills to be taught;
- Methods of instruction;
- Materials used in instruction; and
- Assessment of the student's progress.

Title I Program will:

- Notify parents of their child's eligibility for enrollment in the Title I Program;
- Secure parent permission before placing a child in the Title I program;
- Send parents timely information about their child's strengths and weaknesses; and
- Invite parents to volunteer in the Title I classroom.

Administrative Support:

- Provides the school/parent compact;
- Convenes an annual meeting to explain parent involvement; and
- Solicits suggestions from parents in the development, and operation of the Title I program.
